Attention to Proposers:

This constitutes Addendum No. 1 to the referenced Request for Proposals (RFP), and consists of this cover letter which provides the response to a question raised by a potential proposer.

**Q1:** Are you looking for one price for the entire 5 years or can we introduce a scaled model?

**A1:** The College’s preference is a fixed price for 5 years. However, the College is open to any cost structure that can provide the most value to the College, and expects the proposer to submit the Cost Proposal with this in mind, including a detailed explanation of how the fee structure will be applied to the students over the course of the Program.

The proposal due date and time of April 19, 2016 no later than 1:00 PM remains unchanged.

Prior to proposal submission, please check the College’s website to confirm receipt of all Addenda that may have been issued under the referenced RFP.

All other terms and conditions of the RFP remain unchanged.
